Washington Prime Group Announces Strategic Transactions

- Signed Definitive Agreement to Retain Southern Hills Mall, Dominant Enclosed Asset
 - Signed Definitive Agreement to Sell Colonial Park Mall, Tier 2 Asset
 - Completed Transition of Valle Vista Mall, Tier 2 Asset

COLUMBUS, OH – October 4, 2017 – Washington Prime Group Inc. (NYSE: WPG) today announced several financial activities as part of its portfolio construction and capital allocation strategy.

Lou Conforti, CEO and Director stated: “As previously stated, within our Tier 2 portfolio there are certain assets which, save for the fact that they are overleveraged, exhibit Tier 1 characteristics. As we recently illustrated with the discounted payoff of the mortgage loan secured by Mesa Mall, we are opportunistic in such situations, and Southern Hills Mall is yet another example. Assuming Cottonwood Mall, Mesa Mall and Southern Hills Mall are ultimately reclassified as Tier 1 assets, only 15% of the Company’s net operating income is represented by Tier 2 assets, of which about half are unencumbered.”

Conforti added: “We have addressed all 2017 mortgage debt maturities and now have nearly \$316 million of net operating income being generated from our unencumbered properties, or approximately 57% of total property NOI. Additionally, after the completion of these strategic transactions and assuming the reclassifications to Tier 1 discussed above, over 85% of the unencumbered NOI is from Open Air and Tier 1 enclosed properties. Our strategic efforts to reduce leverage has positioned WPG as one of the best within the U.S. Regional Mall REIT sector from a leverage standpoint, great progress from where leverage levels were a year ago. We cannot think of a better way for us to demonstrate our commitment to an investment grade balance sheet.”

Mortgage Loans

On October 4, 2017, the Company signed a definitive agreement to retain Southern Hills Mall, located in Sioux City, Iowa. As part of the definitive agreement, the property, along with the \$99.7 million mortgage loan secured by Southern Hills Mall, is expected to be transferred to the lender, followed by the anticipated sale of the property by the lender to a wholly-owned affiliate of Washington Prime Group for a purchase price of approximately \$55.0 million. The Company will recognize approximately \$45.0 million in gain on debt extinguishment related to the transition.

This accretive financial transaction is expected to result in the Company retaining Southern Hills Mall, a dominant enclosed retail venue in a secondary market. The debt yield on the mortgage loan is approximately 7.5% with a yield on the anticipated purchase of approximately 13.5%. The transaction is expected to close this month, subject to due diligence and customary closing conditions.

As the only enclosed regional shopping center within a 90-mile radius, Southern Hills Mall serves the growing Sioux City market and western part of the state. Sioux City is the fourth largest city in the state of Iowa, and the market consistently ranks as one of the top small markets for businesses.

On October 3, 2017, the \$40.0 million mortgage loan secured by Valle Vista Mall, located in Harlingen, Texas, was extinguished upon the property transition to the lender on October 3, 2017. The Company will recognize approximately \$27.0 million in gain on debt extinguishment related to the transition.

On October 2, 2017, the Company repaid the \$99.6 million mortgage loan on WestShore Plaza, located in Tampa, Florida, adding the Tier 1 enclosed property to the unencumbered pool of assets.

Dispositions

On October 4, 2017, the Company signed a definitive agreement to sell Colonial Park Mall, located in Harrisburg, Pennsylvania, to an unaffiliated private real estate investor for a purchase price of \$15.0 million. During the nine months ended September 30, 2017, the Company expects to record a non-cash impairment charge of approximately \$20.9 million related to the sale of Colonial Park Mall.
